NO: +254 776 912 434 or +254 713 512 600

MAIL: [sakhadzeeh21@gmail.com](mailto:sakhadzeeh21@gmail.com)

GITHUB: <https://github.com/sakhadzeeh21>

LOCATION: Kilifi Town, Kilifi County, Kenya

## Summary:

I am a budding software engineer, on the cutting edge of home-grown IT professionalism and solution provision in Kenya; renown for my ability to accept complex challenges, learn required skill set, gather and analyze data, to develop comprehensive and sustainable software solutions that meet the clients' needs and solve their problem.

I am a diligent and open-minded developer eager to build out-of-the box products that offer sustainable solutions for our client's, eradicate socio-economic problems or improve the welfare of the community. I am skilled in UI/ UX design, plan development, managing projects, and user documentation
